Lane closures will be encountered on Illinois 161 in St. Clair County

Belleville – The Illinois Department of Transportation today announced that lane closures will be encountered on eastbound and westbound IL 161 from Coyote Run Road to the Junction of IL 158/161 to place a centerline rumble strip. One lane in each direction will remain open to traffic. This work will begin on Tuesday, July 17, and should be completed by Friday, July 21, 2017, weather permitting.

Motorists are urged to seek alternate routes, obey all traffic control signage and allow extra time when travelling in the area.

The contractor on this project is The Kilian Corporation from Mascoutah, Illinois.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
